

**SEATS UP TO
12 PEOPLE**

INNOVATION THAT WORKS

The Groundhog Static SW09700 Fusion Pulse is incredibly robust and secure with the added feature of a large toilet area and increased space in the canteen.

The units are suitable for accommodating up to fourteen people, providing all your on-site needs in one reliable, easy to use and cost effective package. Increased water and waste tank size results in a reduced number of call outs – **saving you money.**

- Warm water supplied by an on-board heating system
- Air blown heating system
- High security doors and windows
- Meets HSE & CDM requirements
- Fixed low level lifting and fork pockets
- 12V LED lighting with PIR
- Inverter powered sockets with USB connection
- Powered by roof mounted solar panel with generator back up
